Re: SUSPENDED ACADEMIC RULES

This is to inform you of the following rules affected by remote learning in the First Semester AY 2020-2021:

1. To enable students to add course after the period of registration, change of matriculation will be allowed from 10 – 14 September 2020. Students are strongly encouraged to have a final schedule on the start of classes, 10 September 2020, due to the logistics of remote learning.
2. For coupled courses, such as those having lecture and laboratory component in one course, grades may be deferred if one of the components is going to be delivered in the Second Semester AY 2020-2021.

For your guidance please.

Thank you.
