WHO

WHO

- Taiwan should be included in the WHO mechanism to share its healthcare expertise.
- No country can contain the COVID-19 pandemic alone.
- Global collaboration is the key to win the battle.
- Taiwan Can Help, and is helping all countries in need.

Cross-strait Relations

- Promote Peaceful and Stable Cross-strait Relations
 - Peace, parity, democracy, and dialogue
 - Won't accept "one country, two systems"
- Taiwan's commitment to democracy, freedom and its way of life is unwavering.

Thanks for your attention
