

Public Lecture

REGIONAL RESPONSES TO CHINA'S BID FOR REGIONAL HEGEMONY

Michael Tkacik, Ph.D.

About the lecture

Dr. Tkacik examines the difficulty of launching an effective regional response to China's rise. He argues that "regional tactics must raise the costs" to Beijing to pave regional cooperation.

He will also tackle the pluses and minuses of ASEAN strategies; multilateral defense agreement; internal and external balancing; and international law, among others.

About the Speaker

Michael Tkacik, Ph.D. is Professor of Political Science at Stephen F. Austin State University in Texas.
